Maximum Marks	4 Marks

The empathy map below represents the thoughts, feelings and actions of a typical social media user who struggles to create engaging captions and relevant hashtags for posts.

SAYS	THINKS
• I need a good caption quickly. • Writing captions takes too much time. • I want my posts to look professional.	• Will this post get enough engagement? • I am not creative enough. • I hope the caption attracts more likes.
DOES	FEELS
• Searches online for caption ideas. • Tries different hashtags. • Edits captions multiple times.	• Frustrated and confused. • Excited to post content. • Happy when engagement increases.

Persona: College students, content creators and social media users who want engaging captions without spending much time.
